COMMERCIAL DOUBLE CAB

IT'S MORE THAN A CONQUEROR.

THE BAKKIE REIMAGINED.

Introducing the all-new, all-conquering GWM P-Series Commercial Double Cab. The P-Series Commercial Double Cab is a brand-new addition to the range of robust, reliable and “workaholic” GWM bakkies that are built for true versatility. This legendary bakkie is powerful, not just instinctively, but practically. To elevate your travels to even greater heights, the Commercial Double Cab features an option of a responsive 8AT and 6MT gearbox, multi-link rear suspension and a diesel or petrol variant.

YOUR NEW BEST FRIEND.

It's great to have a travelling partner who is with you all the way. You and the P-Series Commercial Double Cab will embark on many journeys together and when it comes to work, you can't beat this resilient workhorse.

When it comes to the interior, luxuriously enveloped leather seats and smart technology add to the comfort and convenience that your off-roading explorations need. With exceptional increased load capacity, now you can haul any equipment, the latest "toys" and your trailer to complete the task with absolute ease.

COMFORTABLE.

To enhance driver comfort, the adjustable steering column allows you to adjust the height of the steering wheel to your exact preference.

CAPABLE.

The GWM P-Series Commercial Double Cab has an option of two transmissions. Driving modes for the 6MT 2WD include Standard, Eco and Sport and the 8AT 4WD include Standard, Eco and Sport with a 4L (Four low off-road functions).

SMART.

Bluetooth hands-free calling allows you to carry on the conversation while keeping your eyes on the road and hands on the wheel.

IT'S ALL IN THE DETAILS.

This bakkie is a must-have for enthusiasts who love the extra touches in a hardy companion. With an openable sunroof for enhanced lighting, air circulation and overall driving experience, this exceptional workhorse gives you all the tech you need with a savvy interface and intelligent networking system.

- 17-inch aluminium alloy rim wheels
- Parking assistance system

FROM STRENGTH TO STRENGTH.

Once you get in, you are now prepped for an extraordinary drive in this rugged bakkie, perfectly primed for South African roads, rough or smooth.

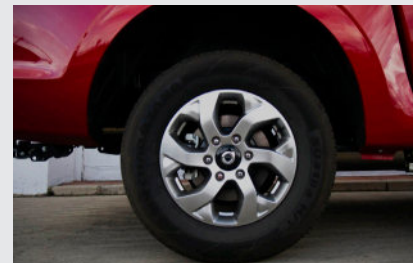

EMERGENCY BRAKE WARNING LIGHT

The Emergency Brake Warning Light ensures you and other vehicles on the road stay safe. In the event that you suddenly brake the car, the Emergency Brake Warning Lights activate and flashes to alert following vehicles. The Park Distance Control (PDC) keeps you safe while reversing by signalling if there are any obstacles behind you.

ADVANCED CRUISE CONTROL.

For your peace of mind, the GWM P-Series Commercial Double Cab steering wheel is equipped with Button Controls to keep your hands on the wheel at all times. This includes Cruise Control that assists with automatically and conveniently controlling the speed of the bakkie.

SAFETY FEATURES.

The GWM P-Series Commercial Double Cab comes standard with groundbreaking safety features such as a hydraulic brake assist system (HBA); traction control system (ASR/TCS); collision automatic unlock function and so much more.

DAYTIME RUNNING LIGHTS.

The daytime running lamp (DRL) help make surrounding objects and vehicles more visible in low light situations with advanced visual effects.

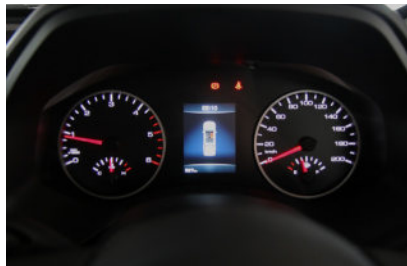

SAFETY COMES FIRST.

The P-Series Commercial Double Cab is equipped with an up/downhill assist control that helps prevent roll-back when adventuring up steep slopes.
